XXX YEAR

XXX YEAR

or persons who conceived the unhappy must feel "taken down a peg two".

The Lord Mayor has cried an imperious "U" to half the paving going on in town, so sees that the contractors are "examined" their work in the most unblushing, and is determined to put a summary stop to the abuse. All who can have access to the abase. All who can have access to the abase to read between the lines of passages how large fortunes are made all connected with this lucrative business.

Another suspected murder yesterday—Aster in Calle Charcas, who died from the. The police have the matter in hand.

There was a meeting, amongst the University students in Montevideo, because over the edifice was put at half past Santa's death. There was shouting all day, and so far did the students that they took down the National flag at night.

of their own. After the funeral was restored.
